MINISTRIES

Monthly Newsletter

April was a month where we had the privilege of seeing how different people and churches are continually supporting us in this ministry. As we continue to search for a building that suits our needs, it is encouraging to see how people in North Bay continue to rally support for this ministry.

As was mentioned in our March newsletter, we have come up with another fundraiser, the "Extraordinary Spring Drive". For this fundraiser we are distributing flyers that ask people to donate \$100 and in return they receive a \$75 tax receipt and a \$25 gift card to Average Joe's. Throughout April we were still in the process of delivering these flyers around North Bay. We are grateful for one young girl, Kalinda, a student from Chippewa Secondary School, who volunteered to help us distribute our flyers. We also had another woman, Michelle Bowman, who volunteered to aid us with this fundraiser as well. These two women who are giving of their time to help us with this ministry are such an encouragement to our Board of Directors as we see the support from our community for this ministry.

Another piece of exciting news is that the three girls from Widdifield Secondary School who did

their class project on Hope Awaits Ministries has advanced to the next round of the competition. They still have two more stages of the competition to go through; but we praise God that they were chosen to advance from the first stage.

Every Wednesday evening Hope Awaits Ministries has held prayer meetings where we pray for this ministry and the homeless in our community. In April we began holding these meetings at different churches in order to get more congregations involved. In April we had the opportunity to pray at First Baptist Church, Bethel Gospel Chapel, Greenwood Baptist Church, and South Shore Church. We are thankful to all the churches that have partnered with us in this ministry through prayer. For a detailed list of where we will be praying each Wednesday please visit our website [here](#).

Thank you for your continued prayers and support!

Sincerely,

Hope Awaits Ministries' Board of Directors

Glory be to God!
