MINISTRIES

April 4th, 2014

Monthly Newsletter

March was filled with getting all of our promotional materials ready. We have created brochures that will be used during our church presentations to give people more information about our ministry. We have developed a presentation for churches in order to raise awareness and gain support.

One larger accomplishment this month was completing most of our website. All of the information is up and the website is running smoothly. Now we simply need pictures for the website, but praise be to God that we have a team of photographers that have volunteered to take pictures for us! In April all of the pictures will be uploaded and the website will be fully complete.

We have also had to determine which donation methods we will be accepting and then set it up with the bank. At times this process was confusing. But with the wisdom of God and the help of someone that works in the banking industry everything has been sorted out.

During the month we have also been calling churches to set up times to make presentations. Thank the Lord for the positive responses that we have received from churches thus far.

One pastor shared a story of God's incredible timing. Nicole had called Pastor Wilbert one day to discuss Hope Awaits Ministries. The next day Pastor Wilbert was at another church for a prayer meeting with other pastors. During the prayer meeting the phone rang and the pastor of that church went to answer while the others continued praying. The phone call was from Nicole asking about making a presentation at their church. When the pastor got off the phone and returned to the prayer meeting Pastor Wilbert was praying for Hope Awaits Ministries! How amazing is our God?!

Thank you all for your continued prayer and support for this ministry!
