

# Hope Awaits MINISTRIES

November 2<sup>nd</sup>, 2017

## Monthly Newsletter

Renovations continued throughout the month of October. We are getting closer to the end of the renovations and are checking off the last few things on the list. Throughout October we put in new handicap fire rated doors, insulated and put up drywall in the garage, passed our insulation inspection, put a new platform and stairs in the garage, and began working on the fire escape. In terms of renovations we just have the fire escape to complete, and a few small things to finish up inside the house!

As our renovations are nearing the end we have been busy working on sorting through and organizing all the donations that have come in throughout the past year. One Thursday we were blessed to have a group of women from Powassan Wesleyan Church come in to sort, clean, and organize our kitchen. Through their hard work, and the hard work of others our kitchen is now fully stocked and ready for use!

In October Nicole Millage also had the opportunity to share about Hope Awaits with one of the local chapters of the Catholic Women's League. Through that presentation we were able to raise more awareness for what we are doing, and we were invited to do another presentation at another meeting.

We continue to be blessed by being able to work with men who drop by our centre. One day in October we were visited by the police, who had encountered a young homeless man on the street and were looking to get some assistance for him. We offered to help him in whatever way we could, and were able to provide him with a shower, clean warm clothes, a blanket, and some food. Unfortunately that young man had to sleep on the street that night as we were unable to house him, but we were thankful that we were able to help in some way. We have not seen this man since, but continue to pray that God will keep him safe and warm wherever he is.

Thank you for your continued prayers and support!

Sincerely,

Hope Awaits Ministries

**Glory be to God!**
